Smyrna native graduates as Army motor transportation specialist

SMYRNA, Tenn. – Pvt. Dah Dah Eh, a Smyrna native, recently completed Advanced Individual Training as an Army motor transportation specialist at Fort Leonard, Missouri, on June 25.

Eh completed 10 weeks of Basic Combat Training, learning physical fitness, military tactics, squad maneuvers, military etiquette, and land navigation. After graduating from BCT, he attended training to qualify as a motor transportation specialist.

Following graduation, Eh reported to and now serves with Smyrna's 1176th Transportation Company.

“Joining the military has pushed me to be the very best version of myself by pushing me outside of my comfort zone, physically and mentally,” said Eh.

Eh graduated from North Field Academy in 2021 and will use the Tennessee STRONG Act to further his education at Middle Tennessee State University.
